# VIETNAM AT A GLANCE

# COUNTRY OVERVIEW

Vietnam is located in Southeast Asia on the eastern edge of the Indochina peninsula. The country shares a border with China to the north and Laos and Cambodia to the west, with the East Sea to the east. Its mainland is shaped like the letter 'S' and has a 3,260 km long coastline, as well as over 3,000 islands.

With its untrammelled landscapes and seascapes, Vietnam has become **a must-visit destination in Asia**, offering breathtaking views and exciting experiences for visitors to enjoy.

With a young workforce, solid infrastructure and stable political background, Vietnam is emerging as **a rising star for business innovations**.

# BASIC ETIQUETTES

In Vietnam, tipping is not mandatory, especially not at street-side eateries and small restaurants.

Most Vietnamese are modest dresser. It's good to avoid revealing outfits and remember to cover up when visiting sacred sites.

You can use simple phrases like "xin chào" for both "hello" and "goodbye," and "cảm ơn" for "thank you." Handshakes are also common for greeting and goodbye.

Public displays of affection, such as hugging and kissing, are often seen as inappropriate.

Many Vietnamese like to have their photos taken, but remember to ask for permission first.
